Subject: 2010 STIP Amendment 9

Enclosed is Amendment 9, dated May 18, 2011, for the 2010-2014 STIP, dated July 2010.

Amendment 9 shows the applicable project numbers along with the phases we wish to program. This amendment represents the projects and phases for which we need FHWA approval. Additionally, we are acknowledging the Billings FFY 2010-2014 Transportation Improvement Program Amendment II by reference. An updated checklist is attached.

The subject projects will not require a revised air quality conformity finding or transfer of funds between FHWA and FTA. Consequently, this amendment will not require FTA approval. Please review and approve Amendment 9.

If you have any questions, please contact Paul Johnson at 444-7259.
